

I'm glad you're here!

I am so glad you stumbled upon this teaching resource! I hope that you, and your musicians, find this resource helpful.

How to Use

Please make a copy of this resource. Then, you can edit and adapt as needed. I have left in some of the markings and terms I used with my own pieces, just for ideas. Customize what works for you! This works great pushed out electronically via your LMS!

CHORAL SCORE SCAVENGER HUNT

Mission: Find out about your new piece of repertoire by searching the score for each of the pieces of information below. You may need to research where to find the information in your score OR the definition of the terms. If you get stuck on a task, move ahead and re-visit it at the end. How much information can you find?
