

## Lesson 1: Enharmonic Explanation

- This lesson goes through an explanation of the piano keyboard and explains exactly what Enharmonics are. I typically give this to my students within the first week of band in 7<sup>th</sup> and 8<sup>th</sup> grade. It is a review for some and new information for others. It can be used with any grade level to review the concept of Enharmonics.

4. Fill in the charts below

| Sharp Note | = | Flat Note |
|------------|---|-----------|
| C#         | = |           |
|            | = | Eb        |
|            | = | Gb        |
| G#         | = |           |
|            | = | Bb        |

| Sharp Note | = | Flat Note |
|------------|---|-----------|
| B#         | = |           |
| Cb         | = |           |
| E#         | = |           |
| Fb         | = |           |

Name \_\_\_\_\_

Instrument \_\_\_\_\_

Please complete the following chart showing your knowledge of Enharmonics

|    |   |    |
|----|---|----|
| Bb | = |    |
|    | = | G# |
|    | = | F# |
| Fb | = |    |
| E# | = |    |
|    | = | D# |
| Db | = |    |
|    | = | B  |
|    | = | C  |
